IT'S WHAT'S **INSIDE** THAT COUNTS

SITEC INTERIORS LTD PROVIDES A TURNKEY SOLUTION FOR ALL FIT-OUT AND REFURBISHMENT REQUIREMENTS. WE ACT IN OUR CLIENTS' BEST INTEREST AND TAKE OUR RESPONSIBILITIES SERIOUSLY FROM THE INITIAL CONSULTANCY PHASE THROUGH TO HANDOVER.

#### **Consultancy**

It is our objective to implement any alterations to your working environment in a method best suited to the nature of your business.

Predetermined working practices borne from good communication pave the way for an easier transition. Through our knowledge of products available and our expertise in implementing solutions we at Sitec Interiors are able to realise and achieve the expectations of any budget.

#### **Design**

Sitec Interiors undertakes the design responsibilities for a wide variety of projects, from minor interior refits to extensive refurbishments incorporating alterations to a building's fabric, services and appearance.

#### **Build**

Sitec Interiors undertake all forms of interior building works using our own labour force and a pool of pre-vetted sub contractors.

Our site and office based operatives receive constant ongoing training to keep abreast of new and innovative products and building methods that will keep our sites at the forefront of the industry.

#### **Completion**

At Sitec Interiors we take great pride in handing over our sites on time, on budget and to our own exacting standards.

On completion, we hand over a comprehensive operation and maintenance manual for the client's ongoing reference. However, we will be on call to answer any questions or attend to any problems as part of our after care policy.

AT SITEC INTERIORS, WE BELIEVE THAT THERE ARE MANY VARIABLES THAT A BUSINESS MUST CONSIDER BEFORE SELECTING THE RIGHT INTERIOR CONTRACTOR.

IN BUSINESS ALL DECISIONS ARE MADE FOR A REASON AND SITEC INTERIORS LTD HAVE FIVE REASONS WHY THAT DECISION SHOULD BE US.

## WHY US?

### Service

At Sitec Interiors we make available all our tangible and non-tangible resources to cover the fit out and refurbishment requirements of our clients.

From the initial consultancy, Sitec Interiors will take professional responsibility for the design, implementation and delivery of all fixtures, fittings and furniture.

As part of our 'one-stop-shop' method of working we will provide a single point of contact for our clients from which to make the most of our unique service.

### Experience

It is our versatility within the interiors sector that sets Sitec Interiors apart and has provided us with the valuable experience required to maintain a competitive edge. Although, our core business is office interiors we also undertake other specialist activities such as shop fitting, lecture theatres, recording studios and upgrading of Local Authority buildings.

Our versatility has provided us with valuable experience, new ways of working and a greater knowledge of products and solutions available. Even so, at Sitec Interiors we are always seeking to build on our experience and knowledge.

### Staff

Quality is central to everything at Sitec Interiors and that is why our staff must be given the right training in order to achieve the company's objectives. Whether office or site based, all Sitec Interiors employees are given ongoing training in all aspects of the business, from health and safety to sales and marketing.

We design training packages for employees in conjunction with the Association of Interior Specialists and the Construction Industry Training Board. Furthermore, all employees work within the ISO 9001 quality standard.

It is by training our employees to realise their potential that enables us to provide our clients and ourselves with quality individuals and the loyalty we require.

### Repeat business

At Sitec Interiors we believe a measure of good service is the amount of repeat business enjoyed. We pride ourselves in the knowledge that currently 80% of our custom comes from existing clients.

A stable and profitable core business is easier to sustain with the benefit of continuous relationships with key clients who come back to us again and again.

We work hard to earn our clients loyalty and their ongoing business is our reward and motivation.
